Center Rail for Bench Double

With Center Rail

Without Center Rail

Center rail is the same color as the legs.

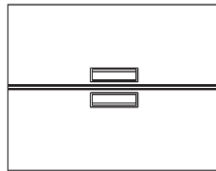

If you are installing a desktop panel, the center rail is not required.

The dedicated monitor arm can be installed even if a panel and center rail are installed.

Statement of Line (Option for Meeting Table Standard Height)

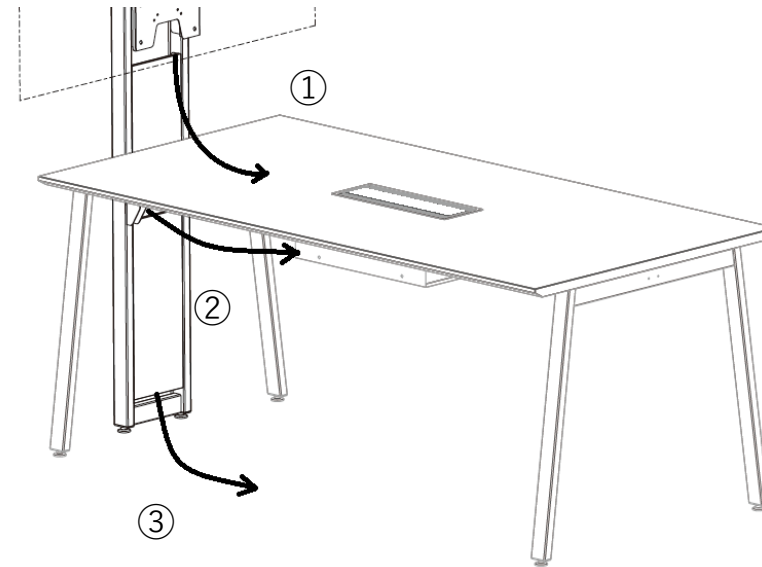

The monitor stand is for the Meeting Table (750H) only.
The monitor itself is sold separately, so please check with the manufacturer.
The approximate compatible sizes and specifications are as follows.

note:

Monitor under 15kg. (52inches)

VESA mounting pitch is 75/100/200mm

The wiring cable route is ① on the desk surface, ② under the top board, ③ the bottom of the frame.
Since the size of the OA tap varies depending on the manufacturer, it may not fit within the internal dimensions of the frame, so please check..
